¹ Act! Certified Consultants are third-party vendors. Swiftpage and its affiliates are in no way liable or responsible for claims made related to the services provided by third-party vendors. ² Office integration is not available using Chrome™, even on Windows®. Integration with Outlook® for Mac is available with Act! Premium Contact Link via the Act! API. ³ Works with Amazon Echo, Echo Dot, and Echo Show.

Important Note: Review Act! system and browser requirements at act.com/systreq. Act! product capabilities and pricing vary based on edition and services chosen. One license is required for each Act! user. Act! Connect services require an active subscription, and use of either the Act! Web API or Act! Connect Link depending on deployment and access method. Services purchased through third parties are subject to the respective third party billing policies and usage terms. Basic Act! emailing account included (email up to 200 contacts per month). View membership details at swiftpage.com/billing-policy. Next generation Outlook® integration works with Office 365, Office 2016, Office 2013, and Exchange. Office 2010 is no longer supported in Act! v20.1.
